SINCE 2002

*We are honouring our past and
building our future, together.*

Founded in 2002, the Nikkei Place Foundation is a registered charity that supports the fundraising activities across Nikkei Place. The Foundation receives and manages various types of donations, and exclusively disburses funds to our Nikkei Place partner charities — the Nikkei National Museum & Cultural Centre (NNMCC) and the Nikkei Seniors Health Care and Housing Society (NSHCHS).

Our mission at Nikkei Place Foundation is to ensure the future of Nikkei Place — a unique campus that not only shares the history, heritage and culture of the Nikkei (Japanese Canadian) community through diverse programs, events, and exhibits, but also supports the care of seniors with independent and assisted living residences.

We honour our Japanese Canadian community's legacies and believe it is important to inspire the potential of the next generation for a better Canada.

YEAR AT A GLANCE

MESSAGE FROM THE **BOARD PRESIDENT**

In 2020, we saw much uncertainty in the state of the world. The coronavirus pandemic brought significant challenges which tested us, and through it we found strength and resilience. We adapted to new ways of working, to carry out our important mission: to ensure the future of Nikkei Place — a unique campus that not only shares the history, heritage and culture of the Nikkei (Japanese Canadian) community through diverse programs, events, and exhibits, but also supports the care of seniors. I would like to acknowledge the incredible dedication of our staff and our donors to Nikkei Place during this time.

During this critical year, the Foundation saw many changes, including new leadership roles and fundraising strategies. In the summer, we sadly mourned the unexpected loss of Robert Banno, Q.C., the Foundation's founding board President. He was a beloved and respected leader in the Japanese Canadian community, and leaves behind a lasting legacy. As the new President, I hope to follow in his footsteps -- to carry on both his legacy and vision for the future, with the help of Paul Kariya as the first Vice-President to our Board.

Staff also adjusted to the temporary departure of Executive Director Naomi Kawamura, who embarked on a leave of absence to focus on completing her PhD. In her absence, a number of Nikkei Place staff stepped up to help carry the workload until she returns in 2022.

Coming out of a strong financial position last year, the Foundation pivoted to help Nikkei Seniors Health Care & Housing Society (NSHCHS) and Nikkei National Museum & Cultural Centre (NNMCC) with fundraising initiatives, as lockdowns and gathering limitations affected all major fundraising events, gatherings, and programs. For the first time, we launched a number of online giving campaigns, and found success as more supporters than ever were willing to give online. At a time when physical distancing was the new normal, our donors were instrumental with keeping the doors of Nikkei Place open, and the feeling of community and camaraderie alive.

One of the positives this year is the continued growth of the Nikkei Place Legacy Endowment Fund, thanks to the generosity of Dan Uyesugi, Cathy Makihara, and planned gifts from the late LA Dinsmore and Tamiko Corbett.

This year we have learned a great deal, and look ahead with eyes wide open, and a renewed sense of optimism for the future. We will continue to build a strong financial future that supports our vibrant Nikkei Place community. Thank you to all our supporters, donors and charitable partners for their continued support.

Brian Tsuji, Board President

OUR WORK

As the development arm of Nikkei Place, we are the bridge that connects philanthropy with Nikkei history, arts, culture, community, and senior care.

Our mission at Nikkei Place Foundation is to ensure the future of Nikkei Place — a unique campus that not only shares the history, heritage and culture of the Nikkei (Japanese Canadian) community through diverse programs, events, and exhibits, but also supports the care of seniors.

As the development arm of Nikkei Place, we are the bridge that connects philanthropy with Nikkei history, arts, culture, community, and senior care. We fundraise and promote philanthropy throughout the year, and continually work to build the Nikkei Place Endowment Fund, which will ensure Nikkei Place can be self-sustaining in perpetuity.

CHANGE & RESILIENCE

REMOTE WORK

2020 has been a challenging and transforming year. In response to the COVID-19 virus, the Foundation's staff adapted to new ways to work remotely, we shifted our calendar of activities, and we cancelled our annual fundraising gala. However, the Foundation was fortunate to have the continued kindness, support and generosity of our donors. We found more donors than ever gave online in support of Nikkei Place charities.

CHANGING LEADERSHIP

2020 marked the passing of Robert Banno, Q.C., the founding President of the Nikkei Place Foundation. Robert was instrumental in the Foundation's growth and current success. The Foundation and the Japanese Canadian community will miss his strong leadership, his kindness and generous spirit and heart. Brian Tsuji was appointed the new President of the Board, with Paul Kariya also stepping into a new role as Vice-President.

This year, the Foundation also saw the temporary departure of our Executive Director Naomi Kawamura, who began a leave of absence to concentrate on her PHD studies at UBC. Naomi has been Executive Director of the Foundation since 2017, and we look forward to her eventual return to the team.

FUNDRAISING ONLINE

The Foundation helped Nikkei Seniors Health Care & Housing Society (NSHCHS) and Nikkei National Museum & Cultural Centre (NNMCC) with fundraising initiatives, as lockdowns and gathering limitations affected all major fundraising events, gatherings, and programs.

- **Resilience Fundraiser (April 2020 - January 2021)**

The pandemic forced Nikkei Centre to close its doors, and find new ways to provide programming online. The Resilience Fundraiser was launched to help raise essential operational funds for the NNMCC.

- **Beat the Odds Campaign (April 2020)**

Donors came together in lieu of participating in the Nikkei Place Charity Golf Tournament & Fundraiser with the Beat the Odds Campaign. The campaign supported NSHCHS' dementia-friendly and outreach programs for 2021.

- **Great Canadian Giving Challenge (June 2020)**

The Foundation participated in CanadaHelps' Great Canadian Giving Challenge — a contest where every dollar donated online during the month of June was a chance for our charity to win the grand prize of \$20,000.

- **Giving Tuesday (May/November 2020)**

The Foundation participated in Giving Tuesday, a global movement to encourage charitable giving. Donors came together to raise \$6,500 in a single day for Nikkei Place charities!

- **INSPIRE ACTION Campaign (March 2021)**

The NPF and NSHCHS launched the INSPIRE ACTION spring fundraising campaign, in lieu of the Nikkei Place Charity Golf Tournament, with the "Tub, Tech, Reboot" call to action. The campaign supports a spa tub replacement and virtual outreach programming for seniors in 2022.

HONOURING LEGACIES

THOMAS SHOYAMA LIFETIME ACHIEVEMENT AWARD

An Award to Honour Nikkei Heros

The Thomas Shoyama Lifetime Achievement Award was named after Thomas Shoyama — one of Canada's most respected civil servants, who helped create the universal health care system as a deputy minister for Tommy Douglas.

This award is presented to an individual who has played a foundational role in their life as a leader in Canada and in the Japanese and Japanese Canadian community. They exemplify integrity and dedication in their community work, leading with values true to Nikkei Place: honesty, integrity, perseverance, and selflessness.

NIKKEI COMMUNITY & BUSINESS EXCELLENCE LIFETIME ACHIEVEMENT AWARD

The purpose of the Nikkei Community & Business Excellence Lifetime Achievement Award is to recognize and honour Nikkei business leaders who have built distinguished careers, elevated their fields or contributed to the community, region, or nation. It pays tribute to exceptional business leaders, past and present, who have created a lasting legacy that will inspire future Nikkei business leaders.

& INVESTING IN YOUTH

NIKKEI YOUTH ATHLETICS BURSARY

The Nikkei Youth Athletics Bursary is a \$1,000 bursary that recognizes the achievements of Canadian Nikkei youth student-athletes who foster excellence in sports, academics and community leadership.

This bursary is meant to encourage youth to have aspirations and voice in our community as individual leaders or as a youth leader within community organizations. It aims to support and encourage youth engagement in their community and the building of healthy communities through athletics.

This bursary has been made possible through a generous donation by the Nikkei Hockey Program. We thank Ian Burgess, Dan Nomura, Paul Kariya and Ken Takeuchi who are pleased to represent the many contributors to the past Nikkei Hockey Programs.

“I’ve learned a lot through being involved here at Nikkei Place – whether it be about the internment, Japanese culture in general, or my family’s history... people need to come here to appreciate all that happens here, to see that we have a great facility with lots of interesting programs, and that we have a caring place for elderly people to live.”

— FRED YADA
Nikkei Legacy Circle Member & NPF Director
